Area Builders Association. Home-PAC works to promote and
financially support candidates, issues and causes that are in the
best interest of the community that TABA serves.

With the funds that Home-PAC generates, we support local
initiatives and candidates that promote and enhance the ability
to make a living in the homebuilding and related industries in
East Bell County.

Since '96 Home PAC has spent almost \$200,000 aligning
ourselves with candidates and causes that are supportive of our
industry. Home-PAC funds are essential to assuring that TABA
maintains a strong voice in the political arena and in assuring
our community remains an attractive spot for continued
